

SurfaceGlide[™]

SURFACEGLIDE-KEY ATTRIBUTES

STYLISH SIMPLISTIC DESIGN WITH SLOW SELF CLOSING ACTIVATED SEAT INCLUDING BACK GLIDE MECHANISM

- **Elegant Thin Profile Design** with compelling visual dynamics measuring **4" (102mm)** thick, will remain current for a lifetime. The design allows SurfaceGlide to be mounted to any wall or column surface maximizing space utilization, and putting seats where no seats could have been used before.
- **Simple Yet Sophisticated** slow self-closing seat system, with high quality of movement during all phases of seat use. The self-closing system is very durable and has passed testing of over **300,000 cycles**.
- **Patented Back Glide System** allows user to sit in comfort at a 16-degree angle and returns to a fully closed 4" vertical position when not in use.
- **Surround Foam Patented System** adds to your comfort, prevents fabric marks, prevents foam deterioration and keeps a cool temperature for long lasting use.
- **Patented Seat & Back Tubular Steel & Mesh Construction** maintains shape, increases durability and comfort to your seat and back. Backs have standard lumbar support. The seat construction will support up to **600 lbs.** on the front edge of the seat.
- **Removable Slipcover Upholstery** allows for quick change should fabric become soiled or outlives its useful life span without fabric puddling.
- **Environmentally Sensitive Design & Engineering** allows SurfaceGlide to be repurposed for many years of durable service. Once SurfaceGlide does reach the end of its useful life span all parts are completely recyclable.
- **Series Seating manufactures in house all product components** including foam, engineered wood, steel, and upholstery saving cost and improving quality control on all products.

OPTIONS

CHAIR WIDTH

18" (458 mm)

CHAIR DEPTH (FULLY DEPLOYED)

24" (610 mm)

MOUNTING

Vertical surface mounted or recessed into a wall

Floor mounted

Riser mounted

BACK

Removable slipcover

Back pitch begins at **0-degree** and glides to an operational open **16-degree**

SEATS

Fully upholstered with a removable slipcover

ACCESSORIES

SIGNAGE
